CALLS

BLUETOOTH 4.2 TECHNOLOGY

Provides a fast and stable pairing with your bluetooth enabled devices. Offering you impressive dynamic sound even you are 10 meters away from your device.

A person is shown from the chest up, wearing a grey t-shirt. They are wearing a black, flexible neck massager around their neck. The massager has a small logo that says "EnterGo" on the left side. Two thin black cords extend from the massager, each ending in a small, black, spherical massager. The person's hands are holding these two small massagers, one in each hand, positioned in front of their chest. The background is plain white.

COZY & HEALTHY

Healthy and soft silicone design, Flex fits different neck sizes and conforms to your body for all-day comfort.

SO LIGHT, YOU'LL HARDLY KNOW THEY'RE THERE

Made by medical level liquid silicone, this neckband provides you comfortable wearing experience. The soft and folding material enables you to easily pack the headphones into a zipper case and take it around.

Leather material
20 hours talk time

NOISE CANCELLING TECHNOLOGY

Featured with CVC6.0 noise cancelling technology, our headphone filters out background noise to guarantee high quality sound and provides you clearer voice for calls.

EASY BUTTON CONTROL

Unlike ordinary Bluetooth earbuds for running and workouts, this comfort-fit earbuds allows for easy and accurate one-touch control located on the neckband, no need to take off the earbuds.

HANDS-FREE CALLING

Bluetooth Earphones with built-in microphone allow auto switching between music and calls.

Features:

SO LIGHT, YOU'LL HARDLY KNOW THEY'RE THERE

The Enter GO Powerbeat Flex wireless neckband headphones are super-lightweight, coming in at just 135g. Made with aluminum and soft silicone, they're incredibly comfortable and unobtrusive. Simply pop them in, and five seconds later, you'll no longer be able to feel them. That means all you have to think about is your workout.

NOISE CANCELLING TECHNOLOGY
