A2DP VOICE
COMPATIBLE

RICH AND POWERFUL VOICE

Bluetooth 4.2 chip brings high-fidelity crisp sound, smooth Bluetooth transmission and superior communication quality. Metal and TPU material made chamber provides powerful bass and flowing medium-high frequency.

STRONG BATTERIES

Built-in large capacity 100mAh battery, twice the power of normal Bluetooth headphones, provides up to 20 hours play/music time and 100 hours standby time.

TAILOR-FIT NECKBAND

Made by medical level liquid silicone, this neckband provides you comfortable wearing experience. The soft and folding material enables you to easily pack the headphones into a zipper case and take it around.

BUILT-IN MIC AND MAGNETS

Except cozy soft neckband, the earbuds are also equipped with magnets for your better storage and carrying. The in-line high quality microphone and CVC 6.0 reduce ambient noise and ensure your experience during calls.
